

Christmas Dinner at Winterviken 2022

A Christmas party dancing through the night or just a quiet dinner to celebrate the arrival of the festive season? Either way works fine in Alfred Nobel's old dynamite factory. We welcome parties from 100 to 500 people in our extraordinary banqueting hall where candles, good food and beverages create an amazing atmosphere.

Christmas Menu – November 21 – December 23

STARTER

Tartar of salmon with mustard cream, cucumber, breadcrumbs, horseradish and dill

Alternative

Mushroom soup with baked celery root, parmesan cheese and cress
